

Powerful, Portable Energy

AdvoCare®

SLAM™

Liquid Vitamin and
Amino Acid Supplement

Get Energized with AdvoCare® Slam™!

Ready-to-drink liquid energy supplement—Power Punch and Octane Orange flavors

What is Slam?

Slam is a powerful, portable energy supplement in a tiny, 2 fl. oz. bottle.* Its unique combination of energy-producing nutrients and support for neural processes make it a perfect fit for the person on the go.* And with no sharp drop-off or energy crash, it's great for hours of energy.*

Why Slam?

Slam is a great energy source if you need immediate energy and convenience.* Its portable, pocket-sized packaging makes it a travel necessity. And unlike many other energy shots you may find at retail stores, Slam actually tastes great!

Who needs Slam?

- People needing a quick and convenient energy source
- Employees working with tight deadlines
- College students pulling all-nighters
- Recreational and professional road warriors
- Travelers coping with jet lag

When do I use Slam?

The main benefits of Slam are its immediate, sustained energy and its ready-to-drink portability.* Choose Slam for those occasions when quick, convenient results are a must.

Key Benefits of Slam:

- High-powered, portable energy source*
- Fast acting*
- Sustained energy without jitters*
- Sharpens mental focus*
- Sugar free

What keywords best describe Slam?

Portable, concentrated, convenient, immediate, on-the-go, fast acting, pre-mixed, ready-to-drink

Directions For Use:

For ages 12 and older. For maximum effect, drink an entire bottle, preferably between meals.
